

# 2021 Online Figure Invitational

## How Do I Watch This Meet?

- **Log into Zoom [www.Zoom.us](http://www.Zoom.us)** (you MUST have a Zoom account...for security reasons, you may not access this competition as a guest! Zoom is free...download the Zoom client today and create an account if you don't already have one. Also...if you are running an old version, you need to upgrade to the most current version or you will not be able to move freely from room to room!)
- **Access the meeting room #928 5264 2460**
- **Mute yourself and turn off your video** if necessary! Spectators MUST be muted at all times! Because of the way we are managing this competition, we cannot automatically turn off the sound/video of all participants...so please be a good spectator and follow these rules.
- **Click “Breakout Rooms”** in your Zoom toolbar (usually at the bottom of your screen) and choose where you'd like to go. Click the # sign or “Join” (depending on what type of device you're using) and verify that you want to go to that room.
- Stay in one room and watch all the skaters from that rink, or follow the judges and watch an entire event! You do not need to ask permission to move from room to room.
- To switch rooms, click “Breakout Rooms” again, and choose a new destination.
- If you ever need help, click “Leave Room” and go back to the main meeting room to chat with the Meet Director.

### Special Viewing Hints:

- When you enter a room, click the upper right corner and choose **“speaker view”**
- Now right click the video feed from that rink and choose **“pin video”**
- When score sheets are ready, a little alert will pop up in every room! Then visit **[www.USARSFigureInvitational.online](http://www.USARSFigureInvitational.online)** to see up-to-the-minute scores.
- Remember that not all rinks are starting at the same time...so if you get to a room and there is no video feed, that rink probably hasn't logged in yet.
